

# automechanika innovationaward

This is to certify that the

***MWM PLASTIC WELDER***

has been judged

**Silver Medalist**

**in Automechanika Johannesburg 2019's  
Innovation Awards Competition**

In the view of the judging panel, the product makes an important contribution to the automotive segment in which it competes

*"...Apart from its many practical qualities, the MWM welder's contribution to the reduction of plastic waste makes it a product worthy of topnotch recognition..."*
